

City of Bradford MDC – Permit Scheme Transitional Arrangements

From 3rd June 2019 The City of Bradford Metropolitan District Council will be operating an ALL-STREETS permit scheme.

This document outlines the transition period between the current permit/notice scheme and the move to all streets.

Works Type	Current Notice Street Prior to 03/06/19	Current Notice Street After 03/06/19	Current Permit Street
Provisional Advance Authorisation	Notice Valid if served before 03/06/19	New notices not accepted after 03/06/19	Permit Required No Change
Major Works – over 10 days and all major works requiring a traffic regulation order	Notice Valid if served before 03/6/19 until works closed	New notices not accepted after 03/06/19	Permit Required No Change
Major works – 4 to 10 days	Notice Valid if served before 03/06/19 until works closed	New notices not accepted after 03/06/19	Permit Required No Change
Major works – up to 3 days	Notice Valid if served before 03/06/19 until works closed	New notices not accepted after 03/06/19	Permit Required No Change
Standard Activity	Notice Valid if served before 03/06/19 until works closed	New notices not accepted after 03/06/19	Permit Required No Change
Minor Activity	Notice Valid if served before 29/05/19 until works closed	Notices Served after 29/05/19 and before 03/06/2019 will be accepted until works closed	Permit Required No Change
Immediate Activity	N/A	New notices not accepted after 03/06/19	Permit Required No Change

For former notice streets only, NO FEES will be charged for permits submitted between **03/6/19** and **30/6/2019**, however FPN's WILL be applied for condition breaches.

OD Files – changes

In order to maintain current working and reporting arrangements the following changes will be made to Bradford's current OD files to accommodate the switch to all-streets.

- Bradford will retain the existing permit OD (AV101) for 0,1&2 Streets
- Bradford will modify the exiting notice OD (AV001) to transition to permits from 03/06/2019
- This change will be submitted to Geoplace during the w/c 20/05/2019 for publication on 31/05/2019
- **We will notify utility companies when the relevant changes have been made so that you can update/redownload your OD files.**
