City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Innovation Fund

Stage 1: Are you a User Led Organisation? Can you:

- Actively demonstrate your commitment to disabled people by employing disabled staff and volunteers
- Actively demonstrate your commitment to the Social Model of Disability
- Show you are an organisation based on clear values of independence, involvement and peer support
- Show you are led and controlled by disabled people with a minimum of 50-75% of disabled people on the management committee or trustee board
- Show your organisation is based on peoples direct lived experience

Innovation Fund

Stage 2: Can you show your organisation is working to benefit Bradford district residents?

- Can you deliver locally based, responsive services
- Will your work support a fairer, more resilient local economy in Bradford
- Will your project increase local spend to invest locally in Bradford
- Can you co-ordinate services at a local level
- Can you evidence local knowledge

Innovation Fund

Stage 3: Do you have an idea for an innovative project? Does it:

- Focus on people being able to access ordinary activities
- Ensure activities are user led
- Support Early Intervention and Prevention
- Work in partnership with other organisations
- Support people to use their personal budgets

Innovation Fund
