Important Notes

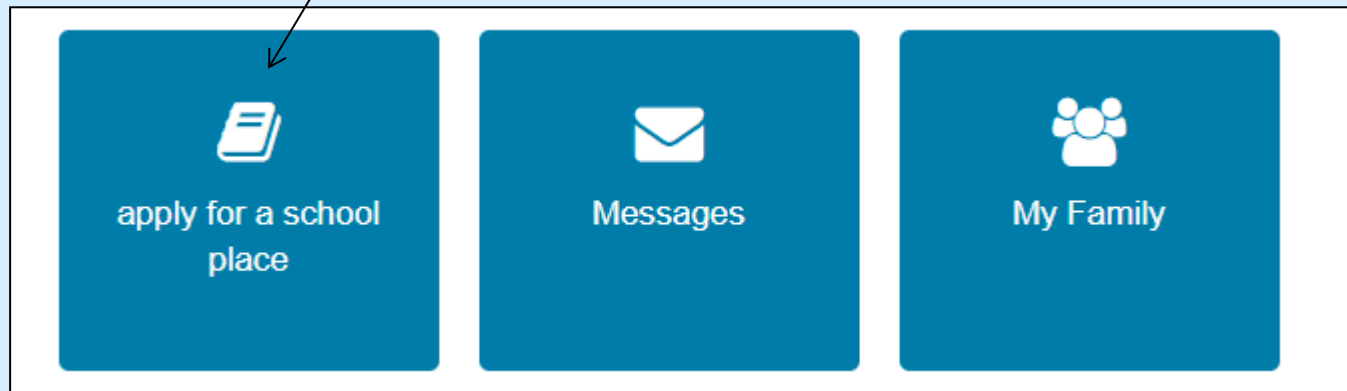

If you used the Citizen Portal to make an application in the past, please check that your address, telephone number, etc. in the 'My Account' section are still correct, and edit them if they are not, before you make your new application.

If you are helping a friend/family member to apply, please ensure the parent's details (name, address, phone number, email address, etc.) are given in the 'My Account' section, not yours. The parent needs to be present when the application is submitted to confirm that they have parental responsibility for the child and that all the details submitted are correct.

Submitting an Application – Step 2

Click on ‘apply for a school place’

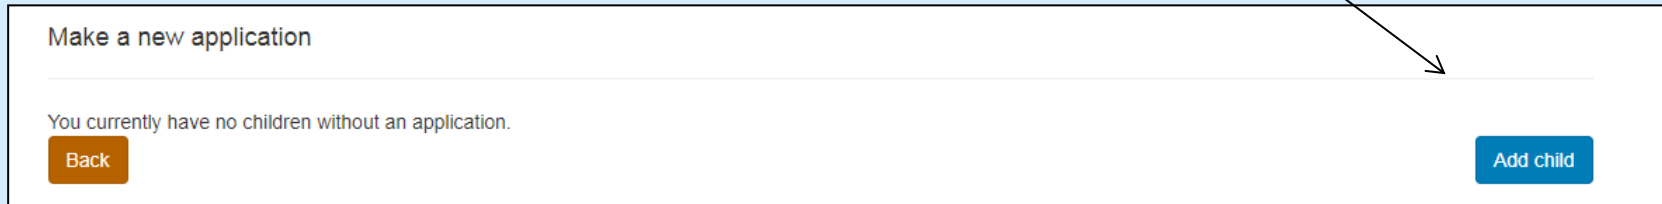

This can be located at the bottom of the screen.

Submitting an Application – Step 3

Adding the Child's Details

If the child's details are not already there to select at the bottom of the page, click on 'Add child', enter your child's details and then press 'Add child' again once you have filled them in.

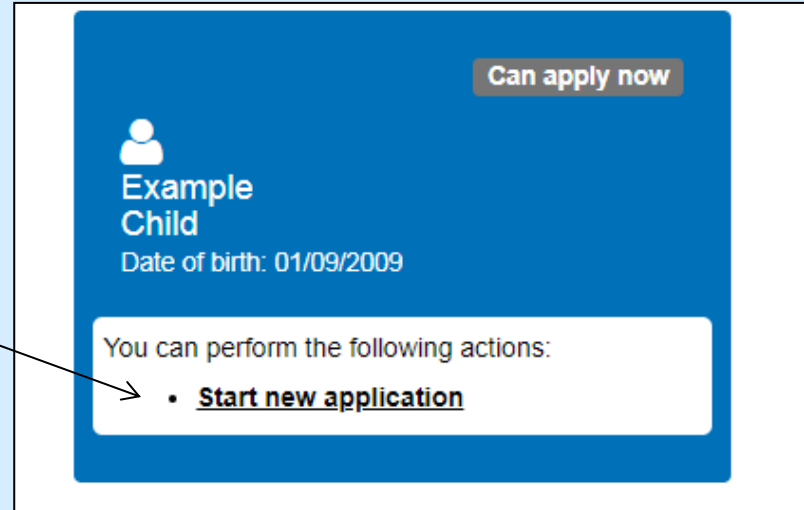

The screenshot shows a web form with a white background and a thin black border. At the top left, the text "Make a new application" is displayed. Below this is a horizontal line. Underneath the line, the text "You currently have no children without an application." is shown. At the bottom left, there is an orange button with the text "Back". At the bottom right, there is a blue button with the text "Add child". A black arrow points from the text in the paragraph above to the "Add child" button.

If this does not apply, go to Step 4.

Submitting an Application – Step 4

Click on ‘Start new application’

Select the correct child at the bottom of the page, and click on ‘Start new application’.

This will only appear if the online application process is open and the child's DOB (as entered by the parent) falls into the standard date of birth range for applications.

If a child is formally offset, parents must apply on a paper form.

Late applications must be made on a paper form.

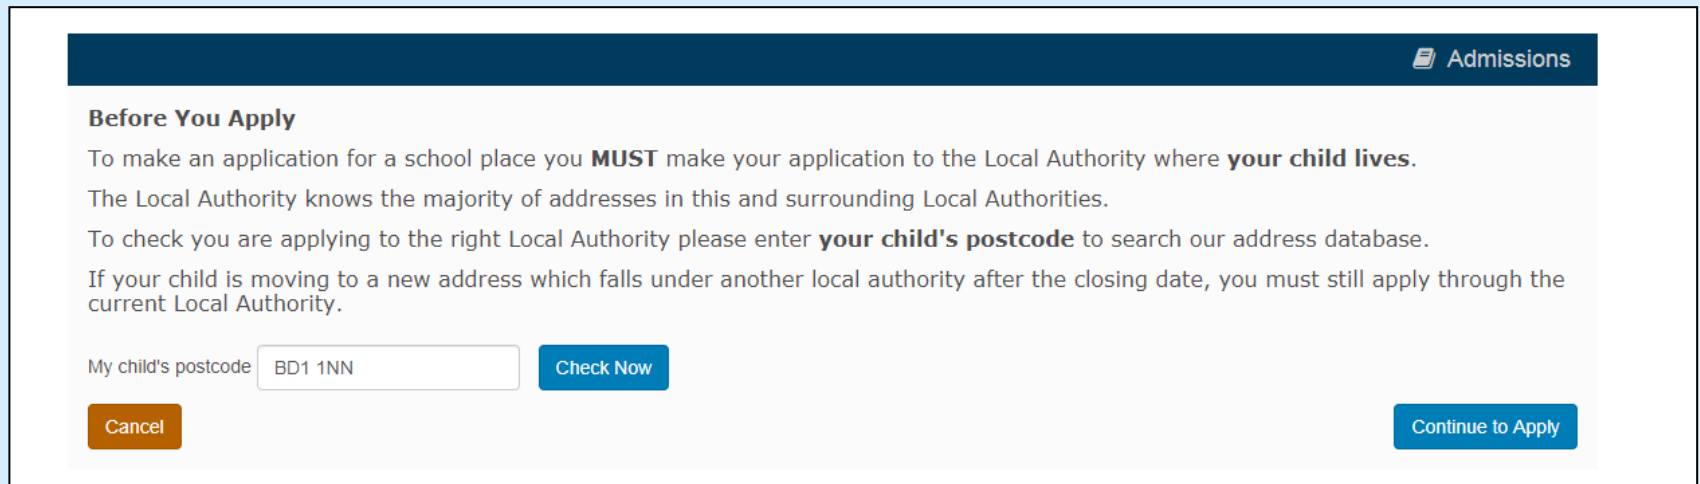

Submitting an Application – Step 5

Checking Your Home Authority

Check that your address falls under Bradford district, by clicking on ‘Check Now’.

If it does not, you must apply through the authority in which you are resident. You can still apply for Bradford district schools through your home authority.

If your address does fall under Bradford district, click on ‘Continue to Apply’.

Admissions

Before You Apply

To make an application for a school place you **MUST** make your application to the Local Authority where **your child lives**. The Local Authority knows the majority of addresses in this and surrounding Local Authorities.

To check you are applying to the right Local Authority please enter **your child's postcode** to search our address database.

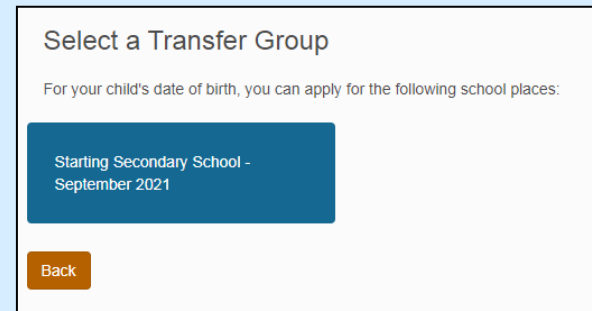

If your child is moving to a new address which falls under another local authority after the closing date, you must still apply through the current Local Authority.

My child's postcode

Submitting an Application – Step 6

Selecting a Transfer Group

Select the transfer group you wish to submit an application for, e.g.

If you see the message below, then either the online application process is not open or the DOB entered for the child does not fall in the standard DOB range for the application you are trying to make.

If the closing date for applications has passed or your child is offset, you need to apply on a paper form.

If neither of these circumstances apply, please check you have entered your child's DOB correctly by looking in the 'My Family' section of the website, and please correct it if necessary.

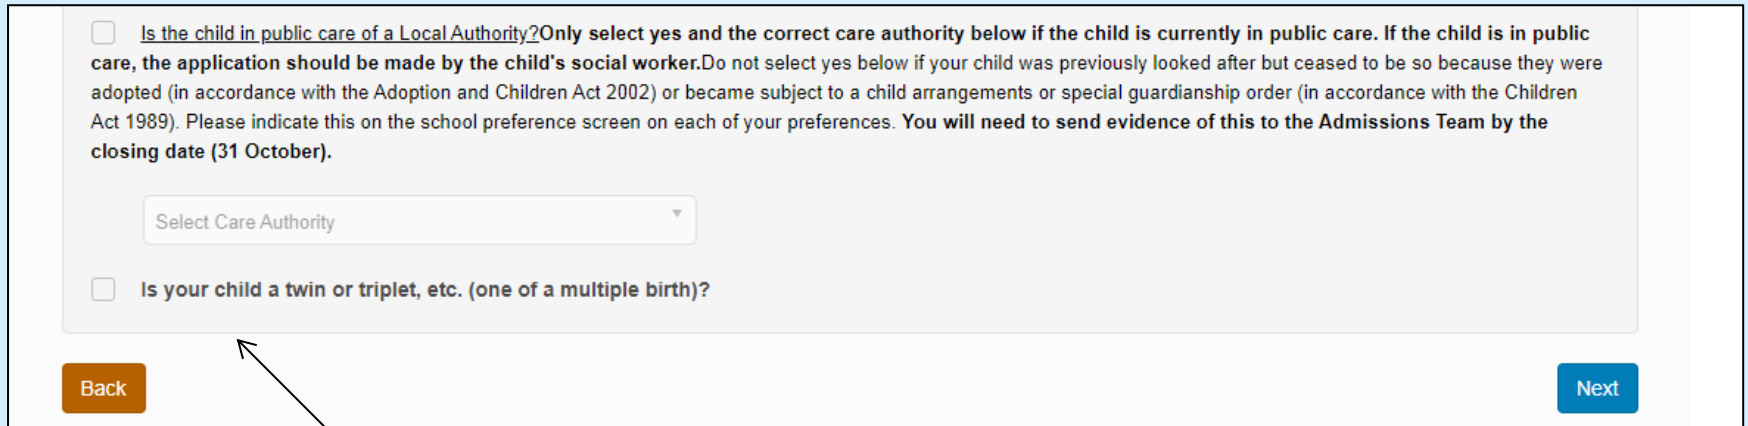

Submitting an Application – Step 7

Additional Child's Details

Most applicants will just select 'Next', as they do not need to tick any of the boxes for the child they are applying for.

If the child is in public care, please indicate on this page. The application should be submitted by the social worker and the Care Authority must be selected.

Is the child in public care of a Local Authority? Only select yes and the correct care authority below if the child is currently in public care. If the child is in public care, the application should be made by the child's social worker. Do not select yes below if your child was previously looked after but ceased to be so because they were adopted (in accordance with the Adoption and Children Act 2002) or became subject to a child arrangements or special guardianship order (in accordance with the Children Act 1989). Please indicate this on the school preference screen on each of your preferences. You will need to send evidence of this to the Admissions Team by the closing date (31 October).

Select Care Authority

Is your child a twin or triplet, etc. (one of a multiple birth)?
