

Knife Angel Bradford & Anti Violence Month April 2023

ART COMPETITION

First Prize: £75 shopping voucher, Second Prize: £50 shopping voucher & Third Prize: £25 shopping voucher. All winners will also receive an art hamper.

In April 2023, Bradford will be hosting the National Monument Against Violence and Aggression (also known as the Knife Angel). The giant angel shaped sculpture is designed to help us think about peace, friendships, kindness and forgiveness as ways to work against people being unkind to each other.

As part of the month long visit to Bradford, the Youth Justice Service would like to display artwork from children across the district and so we would like to invite you take part in a competition to design a Superhero for Peace.

Your superhero can take any form you like; perhaps you can think about what they might wear and what accessories they might have, or what words they might use and maybe even what they might give out to people as they travel around helping everyone to be at peace with each other through friendship and kindness.
