3.	Highways Act 1980 Diversion applied for at Hedgeside, Bradford	Initial consultations were not favourable – lack of detail in application, uncertainty of route over third party land (recreation ground) which has been passed back to the agent for the applicant. We have advised that much more detail about how the route would be accommodated would be needed to overcome the misgivings of the Council and consultees. At present the application is not acceptable and would be declined. The agent is to talk with his clients and come back to us – either with more information or to close the file.	For further information contact Jayne Benson, Strategic Routes Officer. 01274 431228 07582102104 Jayne.benson@bradford.gov.uk
