Bradford District Fair Trade Way

The Fair Trade Way was created by the Bradford Fairtrade Zone as a scenic, circular walking route linking all the Fairtrade Villages and Towns in the Bradford District: Bradford, Shipley, Bingley, Baildon, Burley in Wharfedale, Ilkley, Keighley, Haworth (world's first Fairtrade Village) & Thornton.

Fairtrade is a global movement for change for both people and planet. It aims to end exploitation and poverty, mitigate the impact of climate change, and create economic, social and environmental sustainability and trade justice for farmers and workers in low-income countries.

This is a medium walk with some muddy sections and 200m climb up Hope Hill to the trig. point above Baildon. The path follows canal and then climbs to the top of Shipley Glen before a final ascent through bracken moorland to the top. Along the last section are some ancient cup and ring marked stones; signs of ancient settlement. Pencil sketches by Roy Lorrain-Smith are acknowledged with grateful thanks.

Walkers are advised to wear strong footwear and clothing appropriate to the weather. This route is not suitable for disabled access.
