

REPORT 2024-25

What Is it?

Parents and children across the Bradford District at libraries, toddler groups, nurseries and stay and play sessions learn five rhymes together and receive a Bradford Libraries Rhyme Challenge Certificate!

Why Do It?

The challenge encourages children to become more familiar with rhyming words which can help them learn to read. Children can build memory skills, fine motor skills, emotional awareness, social skills and its fun too!

"When my son finished the challenge his vocabulary had increased and he was forming sentences easier."

Parent in Primary School

"My child is non-verbal but he has grown in confidence when doing the actions and being with the other children."
